Grades: Pre-Kindergarten through 5th
School Colors: Scarlet and Blue
School Mascot: Trojan
School Theme: "The Future Starts Here!"
Enrollment: 301
Average Class Size: 19

Brief Summary of Instructional Program_____

The principal, faculty, staff, district-level personnel and stakeholders of R.E. Davis Elementary School help all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment that embraces a vision and purpose to build a foundation that prepares all students to become life-long learners who will be able to ultimately contribute positively to society. The school's motto is "The Future Starts Here!" Students are reminded daily to "Think Positive, Act Positive and you certainly will become a Positive Person!"

R. E. Davis is a Title I school where teachers provide students with critical thinking skills and problem solving activities. Test data is used to focus on programs that will help to increase student achievement

by remediating weak areas. We proudly offer a computer lab program, parent workshops, Saturday Academy, student assistance programs, and academic intervention programs. Through MTSS (Multi-Tiered System of Supports), staff members have begun to receive additional training on how to maximize and consolidate existing support services with a defined framework of support and professional development. The use of technology is seen in the One to One Global initiative with the use of Chromebooks in the classroom and "Tech Tuesdays" for teachers.

Political leaders, members of the faith-based community, parents, and other stakeholders participate in the school renewal, accreditation process, and the School Improvement Council. This combination of school, stakeholders, and community ensures a perpetual focus on developing the whole child for career and college readiness.
